The 50th Anniversary Type 200 Power Feed features our new LED rapid switch technology. This new and improved design increases the reliability of the rapid switch function and also improves the visibility of the power on indicator.

ORDERING INSTRUCTIONS

1. Please specify the type, model number, and serial number of the unit for which parts are being ordered.
2. The limit switch bracket, limit switch assembly, and bevel gear are determined by model number.
3. Note that parts are listed by assembly. They may be ordered as complete assemblies or as individual parts.

REPAIRS

For repairs, contact Servo Products Company for the location of your authorized Service Center or see our website.

REPAIR POLICY

These conditions must be met for an authorized service center to accept returned goods from customers for in-warranty or out-of-warranty repairs.

1. The freight must be prepaid on all products sent to an authorized service center for warranty repair. The service center will pay the return freight on all products under warranty. The service center will repair or replace, at their own option, products which prove to be defective during the warranty period.
2. The freight will be paid by the customer both ways on products which are not under warranty and the repaired item will be returned C.O.D. Contact Servo Products Company for the location of authorized service centers or see our website.

WARRANTY

All Servo Products Company products are warranted against defects in material and workmanship. This warranty applies for one year from the day of delivery to the customer. We will repair or replace at our own option products which prove to be defective during the warranty period, provided they are returned to Servo Products Company, freight prepaid. This guarantee does not include repair or replacement required because of misuse, abuse or normal wear and tear. Repairs made by other than the factory or an authorized service center terminate Servo Products Company's liability under this guarantee. This guarantee is made expressly in place of all other guarantees or warranties, expressed or implied, with respect to quality, merchantability, or fitness for a particular purpose.
